## SHIPPORTER BASIC (MANUAL)

Your customer wants a quote for shipping your products?

Use the shipporter online calculator.

Select create a consignment note.

Enter your customer's order and delivery details.

We prepare all documentation for your product to be cleared through customs and delivered.

Simply attach the shipping consignment note to the package and send it to the export location with your local carrier.

Track your order.

Door to door delivery.

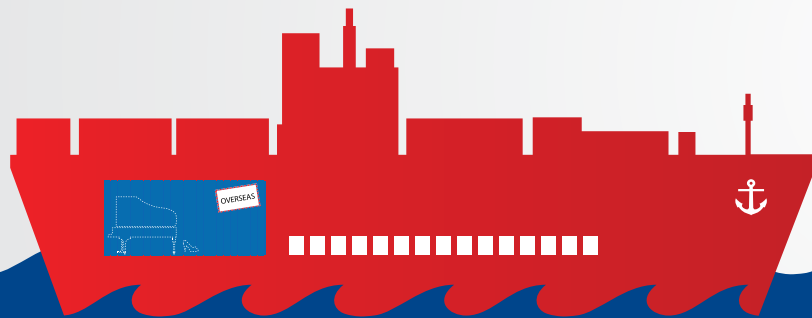

## ∨ AUSTRALIAN MARKET

- Australia - one of the most expensive countries in the world
- High Australian dollar - set to rise even further
- Limited consumer product choice
- Massive delays in stock availability

**= The most active online shopping market in the world**
